

RAPIDO

... the name
that means fast
on the cycle that
means business.

Introducing the Rapido, 125 cc's of instant excitement on a lightweight frame. Get the best of both worlds... the nimble, responsive feel of a lightweight cycle and the no-nonsense punch of a 125 cc engine. For traffic, trail or open road, here's a new performance leader that's built to go anywhere and go in style. Davidson style. Your style.
